Hi Emma,

Do you need a refresher on how to end the financial year with Business Central? When you only complete this process once a year, it can be difficult to remember every part of the process. That's if you have even completed it before; closing the year in Business Central may be new to you.

Fortunately, our Business Central expert Sammy Pinkus is here to help in our **Microsoft Dynamics 365 Business Central - End of Financial Year Processing 2021** webinar. Join this webinar and find out:

- How to set up the fiscal periods.
- How to close the fiscal year.
- How to post the retained earnings.
- Some tricks and traps about the solution.
