

THE GP ADVANTAGE

Hi Emma,

Welcome to **The GP Advantage**.

This first The GP Advantage of 2022 is a very special issue as we focus upon the latest addition to our solution portfolio to complement your Microsoft Dynamics GP solution.

Within this newsletter there are four links that give you an **Introduction** to this solution; explains **Data Integration into Dynamics GP**; discusses **Budgeting and Forecasting**; give insight into **Reporting** with this solution.

Keep on reading to find out more...

Don't forget, if there is something that you would like us to cover in an upcoming newsletter, just let your Inside Account Manager know.

Introducing Solver.

At **Professional Advantage** we are committed to **helping organisations achieve more with technology**. As such, we are always reviewing our solution portfolio to ensure that we are providing our clients with the best technology available to achieve more.

We are very pleased to announce that we have partnered with **Solver** to bring their Cloud Corporate Performance Management solution to our clients.

With Solver's pre-built connectors for Dynamics GP, this solution offers the perfect 'next step' to the standard reporting and budgeting available for all Dynamics GP users.

More about Solver.

For more information about this addition to our solution portfolio, we have composed four articles covering what you need to know:

- [Solver: An Introduction.](#)
- [Solver and Data Integration into Dynamics GP.](#)
- [Solver and Budgeting and Forecasting.](#)
- [Solver and Reporting.](#)

THE PEOPLE OF PA:

Imelda Gutianjo Support Consultant

Imelda is a true cross-functional Microsoft consultant with over 15 years' experience supporting our Microsoft client base.

Her background includes experience in Great Plains (GP), Business Central (BC), and CRM, and has covered many different roles including functional consultant, project manager, and senior consultant across varied industries such as Not-for-Profit, Finance, and Warehouse and Distribution.

During her free time, she enjoys visiting her hometown to spend time with the family and be a kid once again!
