

ON-DEMAND

WorkPlace Wednesday: Episode 1

Empower your teams with what is new, exciting, and possible in Paramount WorkPlace Procurement.

WorkPlace, by Paramount Technologies, is an eProcurement suite with seamless out-of-the-box integration with Microsoft Dynamics GP. It solves the common problem of delays encountered in paper-based or Excel/email requisition and approval processes.

It is a vital add-on for ANY Dynamics GP solution. And yet, our expert consultants confirm that not only are there still organisations out there not utilising Paramount WorkPlace, those that are may not be using it to its full potential!

We want to change that!

In this webinar, the first in a complete series of Paramount WorkPlace webinars, we will be highlighting:

- What is **NEW**.
- What is **POSSIBLE**.
- What is **GREAT** about WorkPlace!
- What is **TO COME** in the rest of the series.

Add **WorkPlace Wednesday's** to your calendar and discover the intricacies of this solution and what it can do for you and your organisation!
