# PaperSave and Professional Advantage: Episode 2

**Discover Accounts Payable Workflow and OCR within PaperSave.**

PaperSave offers document management, electronic workflow, and invoice automation systems that seamlessly integrate with Microsoft Dynamics GP, helping you to add and retrieve documents automatically, saving time and money from your business processes.

It is an important add-on for ANY Dynamics GP solution, and this webinar series will make sure you know everything about PaperSave that you need to!

## Key takeaways

Join our own Michael Foertsch along with PaperSave's Tammy Bower for episode 2 in this webinar series, within which we will be demonstrating:

**AP Workflow**, including how to streamline the process, eliminate bottlenecks, and give accounting insight to ALL documents.

**OCR**, including capture, point and click, train, and pulling data from Dynamics GP.

**Payment Run Approval**, including workflow with approval and visibility to the supporting invoices, and exporting to excel.

**Retrieval.**

Don't miss out on Episode 3 in this exciting series! You can find out more about what will be covered and how to register at the bottom of this page.

## Meet our presenters

**Tammy Bower**  
Senior Account Manager, PaperSave

Tammy joined PaperSave in 2007 as an Account Manager responsible for building the awareness and client base of PaperSave in the Microsoft Dynamics channel.
